SONIA SAARI MEMORIAL SCHOLARSHIP

FOR GRADUATE STUDENTS OF ARCHITECTURE AND ENGINEERING

*Inspiring the Pursuit of Knowledge of Precast
and Prestressed Concrete*

Canadian Precast Concrete Institute
Institut Canadien du Béton Préfabriqué

Sonia Saari Memorial Scholarship

Sustaining the long-term growth of the precast concrete industry includes a focused commitment to future generations of engineers, architects, designers and construction professionals.

CPCI's mission is to be the body of knowledge for precast and prestressed concrete in Canada and to educate, advocate and raise awareness with key decision makers on the outstanding attributes of precast concrete products and systems.

To facilitate and encourage continuous learning and education, CPCI is pleased to offer an annual scholarship program for Graduate students of Engineering or Architecture in the field of precast or prestressed concrete.

2026-2027 ACADEMIC YEAR

The Sonia Saari Memorial Scholarship

The Sonia Saari Memorial Scholarship advances Sonia Saari's professional philosophies in the future of the engineering profession and her unyielding support of the younger generation of engineers and future leaders in the Canadian precast concrete industry. This scholarship, named in honour of Sonia Saari, will be awarded to a student enrolled in graduate studies in the field of precast concrete related research, design, and construction.

Graduate Students of Architecture and Engineering

CPCI is pleased to offer one scholarship at \$10,000 per year. The scholarship funds can also be matched, pending approval of a second application through Mitacs. The Sonia Saari Memorial Scholarship is available for graduate or post graduate Architecture or Engineering students in the field of precast concrete related research, design or construction for the 2026-2027 academic year. The student must have achieved a bachelor's or graduate degree from a Canadian accredited program by the summer of 2026.

Note: International students may apply as long as they are enrolled in an accredited Canadian University.

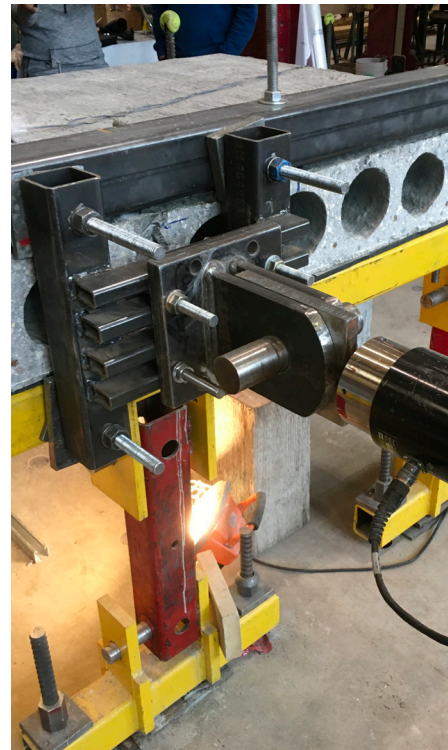

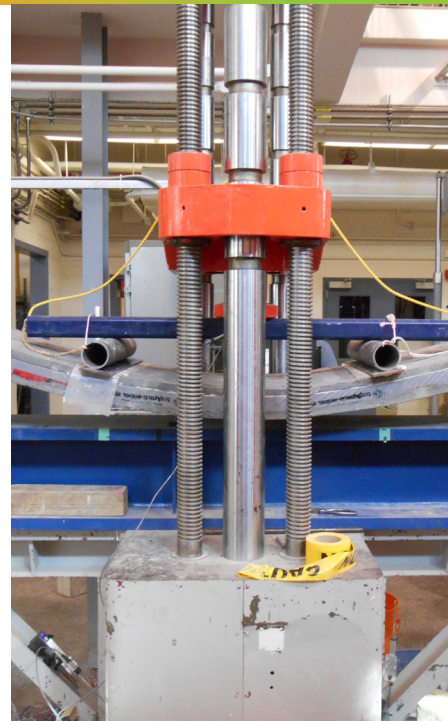

Submit your application today!

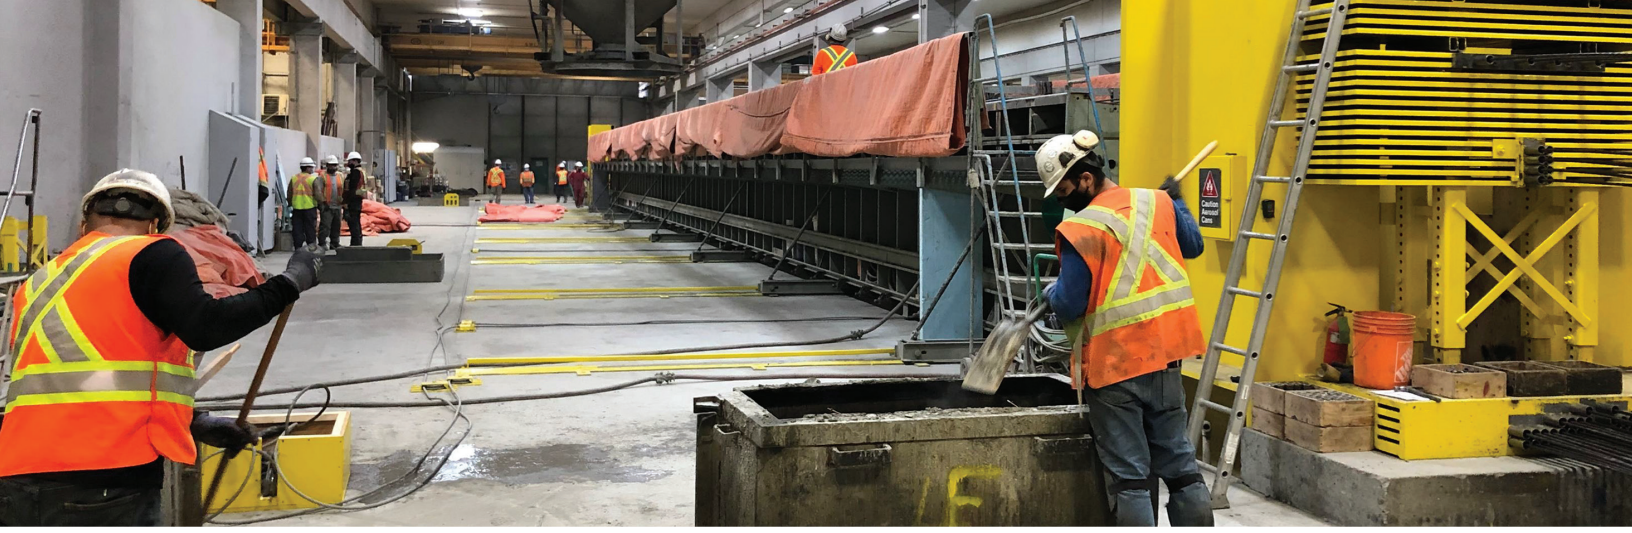

The deadline for submissions is August 21, 2026.

How to Apply

To view the criteria and application procedures for the scholarship program, visit CPCI's website at:
